Jacksonville Sheriff's Office

Community Patrol Report

Duties Completed by Off-Duty Officers

1. Officers addressed and issued traffic citations for speeding and running stop signs within the community. (6 citations issued)
 2. Officers issued parking citations for illegally parked vehicles, derelict vehicles, and expired tags. (7 citations issued)
 3. Officers spoke with residents while on patrol and informed them they were working on behalf of the HOA to help prevent crime and enforce traffic laws.
 4. Officers patrolled throughout the community and conducted numerous rounds during their shifts.
 5. Officers monitored the community for homeless individuals to ensure there were no disturbances or loitering within the neighborhood.
 6. Officers remained on the lookout for suspicious individuals to help prevent criminal mischief and burglaries involving residents and automobiles.
 7. Officers monitored for loud vehicles, improperly tagged golf carts, and ATVs within the community. Citations were issued when necessary, and violators were escorted home when appropriate. **None were located during these patrols.**
- Officers conducted vehicle tag checks to ensure no stolen vehicles were present in the community. (None located this month.)
 - Officers conducted patrols near the pond and playground areas to ensure there were no suspicious individuals or criminal activity near children at play.
 - Officers contacted **two homeowners** regarding garage doors left open late at night. Homeowners appreciated the notification.
 - The off-duty patrol team also addressed parking concerns involving blocked driveways in the neighborhood.

Security Reminders

Secure Access Points

Lock all doors and windows, including pet doors, garage doors, and vehicle doors — even when you are home.

Eliminate Hidden Keys

Avoid hiding spare keys under mats or planters. Consider using smart locks or lockboxes instead.

Lighting & Visibility

Install motion-detection lighting around entryways, porches, driveways, and side yards to improve visibility.

Intruder Prevention

Trim trees and shrubs that may provide cover for trespassers or burglars.

That's My Brick Fundraiser

The "That's My Brick" fundraiser is still going strong! Our goal is to complete this project before September 2026. There is still time to participate and place your order.

Important Notice:

All orders must contain a minimum of 5 bricks/tiles to qualify for free shipping.

Beginning July 1, 2026, the minimum requirement for free shipping will increase to 10 bricks/tiles.
